## Carondelet High School News

### **A Message from CHS President, Bonnie Cotter**

Dear Sisters, Associates and Friends,

It has been quite busy here at Carondelet....and most of it good!

Last evening we had our groundbreaking ceremony at newly acquired Athletics site followed by a reception back at the main campus in the Inner Court. Both were truly lovely and successful affairs.

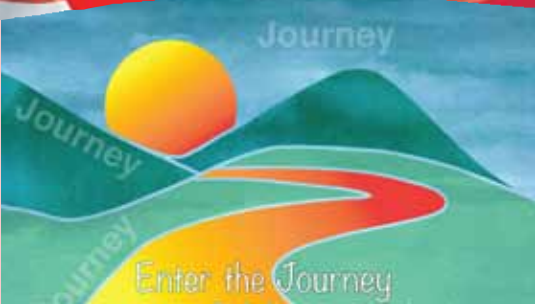

At the reception, we announced the receipt of a \$15 million pledge from the Hofmann Family Foundation. Lisa Hofmann Morgan presented the school with one of those big checks and she spoke so eloquently and lovingly about her school experience and the Sisters of St. Joseph and what the mission and experience have meant to her and her five lovely daughters who graduated from our school. It was an evening to remember. I only wish that you were here to experience it. I believe we videotaped the events and if so, I will send those along so that you may enjoy the energy of such a milestone for our school.

It was so clear that the legacy of the sisters lives on at Carondelet. You are missed but please know that all the wonderful things we are working toward really are a continuum of the work you and the sisters laid before with such care and love. Please continue to pray for Carondelet and the noble work we continue to do in your name. ❖

Let's meet at the confluence  
of where you flow into me  
and I flow into you and  
one breath swirls  
between our lungs.

During Province Chapter we reflected on and had opportunities to practice communal discernment. I came to the Chapter feeling I was probably not qualified to be a delegate to the Extraordinary Chapter because I did not have clarity or certainty about a direction for the future of the Congregation.

I now realize that this is a good place to be...it allows me to listen openly, trusting that God is leading us as we listen to each other, especially to differing viewpoints.

My prayer is that each Chapter delegate comes with the openness necessary for communal discernment. ❖

## News from Medaille Community

### House of Discernment

On Saturday, February 11th, Medaille Community welcomed Esther Pak (second from right) and Nellie Millogo (on the right) to the Discernment House. They join Sister Carol Brong, CSJ, Chrystalle, Sally and Alejandra; soon Sister Darlene Kawulok, CSJ will return home and we'll be seven in our community.
