Nancy Early, CSJA
July 9, 1940 - September 2, 2018

Nancy and her husband Ted became CSJ Associates in Tucson, Arizona in 2011 where they were active and loyal participants in CSJ events. Nancy was also very faithful to St. Joseph's parish, serving as secretary for 9 years, Eucharistic Minister, usher/greeter, member of the Parish Council and volunteer for the school's hot lunch program. She was a kind, gentle soul, sharing from her heart and seeking a deepening of her spiritual life.

Nancy deeply loved Ted (they were married for 53 years), her sons John and Mike, grandsons Dakota and Brandon and the Chicago Cubs and Bears. The only Associate meeting they ever missed was the evening the Cubs won the World Series. And no CSJ social gathering would be complete without Nancy's famous deviled eggs! Nancy we will miss you and may God eternally hold you in the palm of His hand. ☞
